(total Logistics solution partner)

SERVICES

FREIGHT FORWARDING

WTLPL has a well-established global freight and trade network, offering a single-source solution to manage and transport freight. With an extensive team of experts supervising operations, WTLPL offers the best fit solutions with its unparalleled access to a vast agent network of air, ocean, rail or road transport facilities, all of which provides its customers with faster and wider access to vital markets globally. We offer 24 hour service which includes all pre-shipment and post shipment formalities, custom clearance of containerized, bulk, break-bulk and Project cargo.

AIR FREIGHT

WTLPL provides expedited air freight services and international air freight to destinations around the world. Our airport-to-airport service is ideally suited to customers with a high volume of business requiring time-critical delivery. We provide air freight services based on your needs and your schedule. Regardless of Size & Weight, we provide & move the air freight shipments to both domestic and international destination on time. Thus we specialize in meeting the needs of the air transport industry and provide customized services such as Import Customs, Brokerage, Insurance, Consolidations, Packing and Logistics at very competitive rates.

SEA FREIGHT

With limited restrictions in the size and weight of the goods, we provide a full array of ocean freight forwarding services right from door to door pick up, advance tracking technology and managing shipping documents. Being an efficient international ocean freight forwarder, we provide comprehensive services to almost all seaport locations. Our experienced associates are trained to guide you through the complexities of international shipping. We offer tailored programs to meet our clients' full container load (FCL) and less than container load (LCL) requirements and transportation cost objectives.

CUSTOM CLEARANCE

We pay special attention to all the details involved in the customs clearance process both national and international and ensures its customs department is constantly updated regarding new laws and regulations as well as export Consignment Clearance. We facilitate shipment of Import and Exports in a shorter time span. At WTLPL, we believe in focusing on the speed and efficiency of our services, balanced with cost management, which will help us to keep costs to the minimum for clients. Our dynamic custom tariff experts will try to understand your business needs in order to determine the cheapest and legitimate tariffs.

WAREHOUSING

We provide well guarded, spacious and clean warehousing services to ensure safety of goods. We ensure that the goods are stored intact and impermeable to damage of any kind. Our warehousing facilities are now available throughout India. Our freight forwarding experts ensure that proper care is taken during the transit of goods to warehouses and to make sure the stored items are undamaged and cared for. We have included several facilities in the warehousing area, such as full pick-and-pack operations, cargo consolidation.

Ship through us

SURFACE TRANSPORTATION

We provide standardized surface transportation services, with an assurance of safe handling of the goods. We aim to deliver the goods in flawless condition, thereby providing absolute satisfaction to our clients. We serve our clients with utmost sincerity and dedication, thereby rendering efficient and reliable services. Our road transportation services are widely appreciated by our clients and we have also received several positive responses for our timely services. We use the best vehicles for transporting the goods from one place to the other. As a result, we are reckoned as one of the best providers of road transport services in India.

one of the best providers of road transport services in India

PROJECT CARGO

WTLPL is much capable for managing total logistics solution for handling Project cargo which requires experienced / expertise, dedicated and skilled personnel's who are committed to resolve the problems professionally if arises in extra ordinary circumstances and WTLPL has the sense of knowledge to 'make things happen'. We offer Project Cargo Services which includes planning, port feasibility studies, conceptual design of port and other maritime transport projects, trade and traffic forecasts, financing strategies. For the execution of these services '**out of the box**' thinking is required in order to create and implement effective solutions.

MULTIMODAL TRANSPORTATION

Multimodal Transport services at WTLPL is an effective chain that interconnects different links or modes of transport - air, sea, and land into one complete process that ensures an efficient and cost-effective door-to-door movement of goods under a single roof. Our comprehensive and high-capacity network allows us to provide you with a fast and flexible service. Our rail, road and sea links allows us to fully serve customers with tailor made solutions to fit their specific door-to-door transportation needs, whether it is smaller consignments, part-loads or full-loads. By using rail to cover the longer distances, we can offer transportation solutions.

VESSEL CHARTER

WTLPL is a well respected and well known name in the shipping world. Through an extensive network of owners and brokers, we aim to find the right vessel first time, every time whilst meeting or exceeding our client's operational and commercial expectations. From sourcing the vessel to on-site supervision at port of discharge, we offer a door to door hassle free chartering experience to our clients.

DOOR TO DOOR DELIVERY

WTLPL offers door-to-door delivery services for customers who want to simplify logistics management, reduce costs and minimize the risk of loss or product damage, while focusing on core business. By leveraging the breadth and reliability of the global network, WTLPL can remove days from your supply chain, delivering goods from overseas directly to your desired destination. Your shipments can clear customs while still in the air enabling delivery by the end of the next possible business day, saving you time and money.

saving your time & money

ISO / FLEXI TANKS

We serve our valuable customers for worldwide locations for Export and Import through our division of ISO Tank Container agency business, for spot shipment, nomination / dedicated shipments. We offer Flexi-Tanks varying in sizes from 15KL to 24KL fit to carry any non-hazardous liquid chemicals catering even to the food industry. Our flexi-tanks have insurance coverage for incidences and our record of leakage is as good as zero. ISO / Reefer containers are used for the intermodal transport of freight. They are manufactured according to specifications from the International Standards Organization (ISO) and are suitable for multiple transportation methods such as truck and rail, or rail and ship.

feels safe, secured...

CARGO INSURANCE

We know the importance and value of the shipments we are handling; this is why we have contracted the best insurance policy to cover our clients' cargo upon their request against any transport risk. This cargo insurance represents an essential added value to complete our service cycle. Protecting our client's interests is paramount at WTLPL. Our quality service and international presence allows us the ability to negotiate both complete and cost effective cargo insurance. We work only with certified international carriers and our staff of trained professionals is always available to answer questions regarding cargo insurance of any type.
